About...

Cohiba is a brand of premium cigar, produced in Cuba for Habanos S.A., the Cuban state-owned tobacco company. The Cuban brand is filled with tobacco that comes from the Vuelta Abajo region of Cuba which has undergone an extra fermentation process.

Cuban Cohiba was established in 1966 as a limited production private brand supplied exclusively to Fidel Castro and high-level officials in the Communist Party of Cuba and Cuban government.

Often given as diplomatic gifts, the Cohiba brand gradually developed a "cult" status. It was first released commercially for sale to the public in 1982.
